

Dear Shorewood Country Club Member,

Shorewood Country Club has experienced a steady decline in membership and business as the economy has faltered in the last couple of years. The Board of Directors has been focusing on new and innovative programs that will entice and retain new members, thus, increasing revenue for the benefit of the entire club.

We have voted to adopt a significantly reduced [Introductory Membership](#) for new members joining during the Spring of 2009. The purposes of these discounts are to give the public an opportunity to experience all that Shorewood Country Club has to offer.

The plan is simple and straightforward:

Full Family Golf Membership	\$1,500.00
Single Golf Membership	\$1,200.00
Social Membership	\$ 250.00

**No Capital Improvement or Debt Reduction requirement!**

**Offer valid beginning March 15, 2009 and ending May 15, 2009 only.**

\$75.00 Food and Beverage minimum required for all months except February.

Previous members would have to be at least 2 years removed to obtain this status.

Tee times will be restricted for golfing members until after 11:00 am on Saturdays and Sundays from Memorial Day to Labor Day.

Introductory Membership will only be available once per person or family.

All other Shorewood Rules and Regulations would apply.

Down payment of 2 months dues would be due with the application.

Payment may be on an Annual or Monthly basis.

Full 12 month commitment to Shorewood is required.

Anyone wishing to continue Membership after the initial introductory year will be responsible for the standard dues and fees.

We anticipate that all current members will support this idea and encourage all friends, families and associates to not miss this once in a lifetime opportunity. Remember, you and your positive experiences at Shorewood are our greatest selling point.

We will also be continuing our Member Sponsorship Program. If you sponsor a new member for Shorewood Country Club, you will receive a credit to your account in the amount equal to one month's dues of the new member. This offer applies to the Introductory Membership as well as all Standard Memberships in the future.

If there are any points that you wish to have clarified or need assistance of any kind, please do not hesitate to contact, Mark Nezballa, our General Manager at 366-1880 ext. 1. Introductory Membership Applications may be picked up at the Main Bar or you may request an emailed copy at [scc@netsync.net](mailto:scc@netsync.net).

ThankYou,  
Shorewood Country Club  
Board of Directors
