

# **2024 Shorewood Junior Golf Program**

Welcome to the 2024 Shorewood Junior Golf Program! We will be utilizing the US Kids Golf Program at Shorewood Country Club for our Junior Golfers.

## **About the US Kids Golf Program**

New and Young Golfers learn best when engaged in a program that is clear, fun, easy to learn and rewarding. These essential elements are provided in the U.S. Kids Golf Player Pathway as a player advances from level to level as their skills improve. Completion of Levels 1-5 establishes the basic fundamentals to ensure a lifetime of enjoyment and knowledge of the game. Advancing through Levels 6-10 provides the skills to successfully compete in tournament play. To make it fun for players to learn while staying motivated to improve, the Player Pathway provides the perfect program for kids, parents, and coaches. With an easy-to-follow curriculum combined with awards, players can progress from beginner to elite player!

- The Player Pathway is a simple to follow curriculum with skills checkpoints to guide development.
- It includes 10 Levels, and each includes Putting, Around the Green, Full Swing, Knowledge, and Scoring.
- This program will combine lessons with on-course play in each player pathway level.

## Walker Form

We would like each Parent/Guardian to walk with their children a minimum of two days throughout the junior golf season. This is key to the program, as it enables the junior golfers to get on the course and PLAY after their lessons and for the Junior Club Championship.

\*\*\*Please Mark a Minimum of Two Walk Dates\*\*\*

Please indicate your walk dates below. All walkers must be at least 18 years old. Walkers are to assist in pace of play, help keep score, assist in safety, and add to the overall enjoyment of the junior golf program. There must be enough walkers on each date to accompany the golfers in order for the program to run safely. Your cooperation with this is greatly appreciated.

Walk Dates

- 2 - \_\_\_\_\_
- 3 - \_\_\_\_\_
- 4 - \_\_\_\_\_

Please remember your walk dates. If you are unable to walk on a particular day, you must find a replacement. Failure to do so could result in your child(ren) not being allowed to compete that day.

Note: All junior golfers must carry their own clubs or use a pull cart for all practice rounds and tournaments. Golf Bags/clubs cannot be placed on the walker's golf cart. All junior golfers must walk the course; at no time should they be riding on the golf carts. The only exception will be where the children will be carted in after their round. They will be brought back to the Grove after they are finished with their round.

I understand the above rules and will respect and abide by them.
